Following the success of our Purpose Driven Life Study Groups, we hope to maintain the fellowship and spiritual growth that came out of those few weeks in Lent. If you are not already part of one of those groups, please consider joining a group. Each group is open to anyone, and as most groups are starting new courses this is a good time to join. Maybe, you would even like to start up another new group! For more information please contact the leader of the group, or the Church Office.
